

# IACP TECHNOLOGY CLEARINGHOUSE

## Law Enforcement Technology Program Survey

### Projects

- [Automated Booking System](#)
  - [Computer Aided Dispatch](#)
  - [In Car Computers](#)
- 

**Agency Name:** [Greer Police Department](#)

**Technology Program Name:** Automated Booking System

**Contact:** Lt. Scott Stepp

**Address:** 101 W. Poinsett Street, Greer, SC 29650

**Primary Telephone:** 864-848-2197

**Alternate Telephone:** 864-848-2160

**Fax Number:** 864-848-2163

**E-mail Address:** [blueline@greerpd.com](mailto:blueline@greerpd.com)

**Home Page Address:** [www.greerpd.com](http://www.greerpd.com)

**Agency Size:** Total Sworn: 50, Total Civilian: 13

**Agency Type:** Municipal Police

**Technology Program Status:** Permanent Program

**Mobile Hardware Type and Quantity:** N/A

**Printer:** N/A

**How is data transmitted from the Field to the Station?** Download from Collection Device

**How is data transmitted from the Station to State and Data Collection Authorities?**  
Wireless

**Funding:** COPS MORE Grant

**Hardware Manufacturers:** [Digital](#) - Hard drive; [Sony](#) - Printer, Camera; Goldstar - Monitor;  
[Hewlett Packard](#) - Printer

**Software Manufacturers:** [TFP, Inc.](#) - Capture and transfer data

**Important Technology Lessons Learned:** Invest in a good black and white printer for routine pictures. Paper for color printer is very expensive and good black and white images work for most jobs.

**Program Narrative Overview:** Computerized Booking System consists of a camera that takes pictures of prisoners; a computer that captures both pictures and entered information and a printer that produces picture quality images and data. We also purchased a black and white printer to make wanted posters and to pass along information for officers. System can hold 125,000 images on the hard drive and can be downloaded on a tape drive. System can accept and send data to other agencies via modem.

Law Enforcement Technology Program Survey

**Agency Name:** [Greer Police Department](#)

**Technology Program Name:** Computer Aided Dispatch

**Contact:** Lt. Scott Stepp

**Address:** 101 W. Poinsett Street, Greer, SC 29650

**Primary Telephone:** 864-848-2197

**Alternate Telephone:** 864-848-2160

**Fax Number:** 864-848-2163

**E-mail Address:** [blueline@greerpd.com](mailto:blueline@greerpd.com)

**Home Page Address:** [www.greerpd.com](http://www.greerpd.com)

**Agency Size:** Total Sworn: 50, Total Civilian: 13

**Agency Type:** Municipal Police

**Technology Program Status:** Permanent Program

**Mobile Hardware Type and Quantity:** N/A

**Printer:** N/A

**How is data transmitted from the Field to the Station?** Download from Collection Device and by radio and phone

**How is data transmitted from the Station to State and Data Collection Authorities?** Disk, and Fiber optics

**Funding:** Provided by County E911 at no cost.

**Hardware Manufacturers:** [IBM](#) - Computer Terminals; [IBM/Unisys](#) - Printers

**Software Manufacturers:** [HTE](#) - Enter incident reports, arrests and warrants as well as calls for service. Send data to state and county

**Important Technology Lessons Learned:** N/A

**Program Narrative Overview:** Computer Aided Dispatch is connected to the County's Records Management System. This system allows electronic storage of all calls received and dispatched. This information can then be used by Supervisors and Administration for the best utilization of manpower and other projects. This system is also connected to all police agencies in the County via a token ring system. This allows a County wide warrant system for instant warrant checks.

## Law Enforcement Technology Program Survey

**Agency Name:** [Greer Police Department](#)

**Technology Program Name:** In Car Computers

**Contact:** Lt. Scott Stepp

**Address:** 101 W. Poinsett Street, Greer, SC 29650

**Primary Telephone:** 864-848-2197

**Alternate Telephone:** 864-848-2160

**Fax Number:** 864-848-2163

**E-mail Address:** [blueline@greerpd.com](mailto:blueline@greerpd.com)

**Home Page Address:** [www.greerpd.com](http://www.greerpd.com)

**Agency Size:** Total Sworn: 50, Total Civilian: 13

**Agency Type:** Municipal Police

**Technology Program Status:** Pilot (Test) Program

**Mobile Hardware Type and Quantity:** Laptop - 9; Pen-based - 6

**Printer:** N/A

**How is data transmitted from the Field to the Station?** Download from Collection Device

**How is data transmitted from the Station to State and Data Collection Authorities?** Disk and Fiber Optics

**Funding:** Highway Safety and COPS MORE Grants

**Hardware Manufacturers:** [Panasonic](#)- Computers; [IBM](#) - Printer and Token Ring

**Software Manufacturers:** [IBM](#) - Incident Reports; [Vision](#) - Traffic reports; [HTE](#) - Transmit Data

**Important Technology Lessons Learned:** N/A

**Program Narrative Overview:** All in car computers are programmed for incident report taking in the field. The traffic units also have vehicle collision report taking capability. By the fall of 1998, all units will have MDT functions. These units tie in with Records Management of CAD.
