Program Narrative

Completely new CAD/Records management system provided by Munipol Police Systems through a COPS MORE Grant. We are currently using 10 [Panasonic CF-27 "Toughbook"](#) Laptop computers in our Police vehicles. We use Cerulean's "Packet Cluster" software for State and NCIC lookups. We also have an electronic Police Reporting package provide by Steve Saymon. Police reports can be completed in the Police Vehicle and transmitted to our Police Department through a wireless CDPD network which is provided by [Winstar](#) and [AT&T](#).

Additional Concerns

If a software company claims they can provide a certain application that will perform custom tasks, demand to see it work BEFORE you pay for it. Support is very important make sure you have it.
