

## 2007 4th Annual IACP-iXP Excellence in Technology Award

**Innovation in Information Technology Category**  
***Large Agency Division Co-Winner (Two Agency Tie)***

**Agency:** Nagpur Rural District Police, India

**Project:** "Lok-Samwad" or democratic Dialogue with the Common People

"Lok Samwad" (democratic dialogue with the common people) is an innovative project aimed at harnessing information technology to decentralize Police administration to bring Police closer to the people by operationising a "visitor-less and paperless" office. This is accomplished by regular "video conferencing and scanned documents" sessions between superintendent of police and people situated in villages of the district and thereby the target population instantly gets its grievance redressed instantaneously.
